

AgBMP Septic Loan *Septic Systems*

**LOW INTEREST LOANS
FOR WATER QUALITY**

- **3% Loans**
- **10 Year Maximum Term**
- **Max up to \$200,000**
- **Virtually any type of Septic work is eligible anywhere in the state of MN. (New septic's, upgrading septic's, and even connecting a septic to city sewer.)**

In cooperation with Counties and local lenders, the Minnesota Department of Agriculture has a low interest loan program available to help Minnesotans protect water quality through septic system compliance.

Contact your local County Soil and Water Conservation District or County Environmental Services Department for an application!

Participating lenders can be found at;
